# Dexian Successfully Meets Short Timeline for Turnkey Project

©Dexian, LLC, 2023 | 4320187880

## Challenge

The client needed to complete an inventory using radio-frequency identification (RFID) tags.

**CLIENT:**

An education agency managing public schools.

**LENGTH OF CONTRACT**

1 Month

## Solution

Dexian helped determine project scope and resources, then was awarded complete exclusivity and trust to manage delivery and coordinate training of 30 consultants.

**PLACEMENTS**

**30**

Consultants

**SKILL SETS**

- Inventory Clerks

## Outcome

Project was completed earlier than scheduled and under budget. Consultants enjoyed a free weekly lunch and weekly performance incentives to boost engagement.
