Case Study: Professional Services

Dexian Successfully Sources Workday Student, HR, and FSCM Consultants

©Dexian, LLC, 2023 | 4320241676

CLIENT:

A medium-sized private research university with a liberal arts focus.

Challenge

Client implemented Workday Student, HR, and FIN and needed additional resources to ensure implementation partner was acting in their best interests as well as the option for local contract to hire candidates.

Solution

Dexian provided a dedicated Workday recruiting team. Through our network of relationships, Dexian placed 18 resources ranging from program managers, functional leads, integration, reporting, change managers, training and security.

Outcome

Nearly all of the original consultants placed on this team received multiple project extensions. Additional client teams - HR, Infrastructure, and Web Development - are tapping Dexian for resources.
