

# CASE

Case Study: Healthcare

## Dexian Successfully Enhances Workday Implementation with Specialized Support

### CLIENT:

Premier provider of oncology services, offering a comprehensive range of healthcare solutions in Florida. Their services include clinical trials, diagnostic imaging, oncology programs, a pathology lab, nursing services, and related oncology care.

@Dexian, LLC | 8008785185

### Challenge

Amidst the implementation of Workday Finance and Supply Chain solutions, our client sought to augment their implementation partner's support with specialized expertise.

### Solution

Dexian's expertly provided Workday talent played a crucial role in supporting our client, key expertise included:

- Workday SCM/Accounting
- Workday FIN Analysis
- Workday Adaptive Planning
- Workday FIN Trainer
- Workday Report Writing

### Outcome

Dexian™ support ensured a successful go-live for the client's Workday Finance and Supply Chain implementation. Despite the complexities involved, Dexian's support helped the client achieve their goals within the specified budget and timeline.
