

Dexian Successfully Delivers 58 Project Managers with Combined Skills to Support Projects across Enterprise

PROBLEM:

The PMO sought Project Managers with 10+ years' experience, to include direct management of project team staff.

SOLUTION:

With its national network of recruiters and consultants, Dexian delivered the bulk of Project Manager resources needed for several major initiatives across the Enterprise.

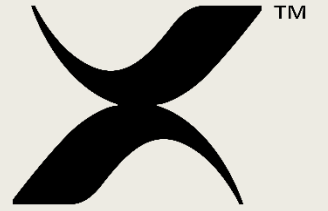

OUTCOME:

Dexian's National Delivery team strategically sourced candidates to meet specific requirements and timelines of the PMO COE hiring model. Dexian's responsiveness earned a supplier recommendation from the client's leadership.

TESTIMONIAL:

"I recommend Dexian as a supplier partner for any effort; they provided us with highly qualified Project Manager resources."
